

# 3d Shapes

Write the names of the following shapes shown in the pictures

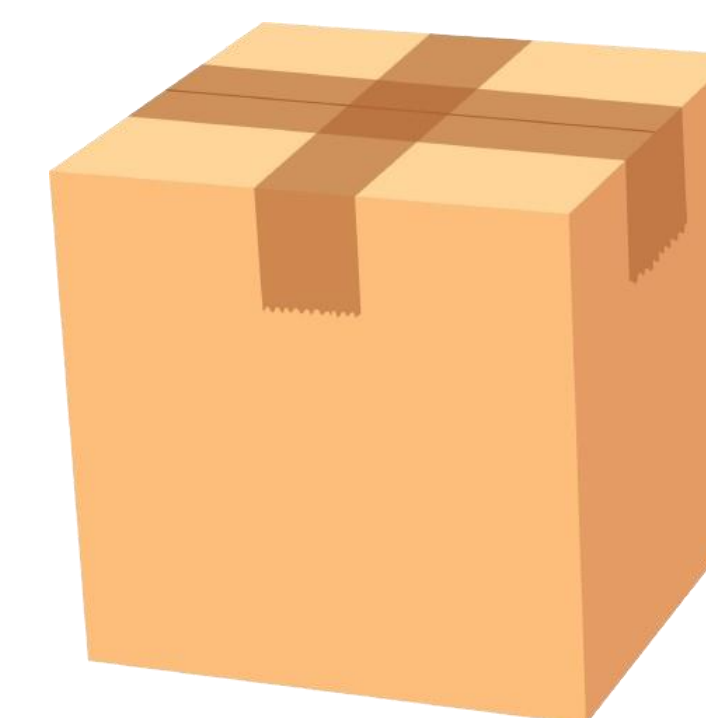

**Look at the pictures below and identify the 3D shapes.**

■ The shape of the ball is a \_\_\_\_\_.

■ The shape of the box is a \_\_\_\_\_.

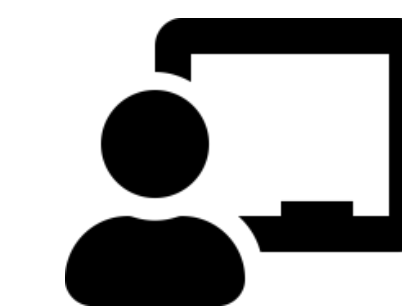

■ The shape of the can is a \_\_\_\_\_.

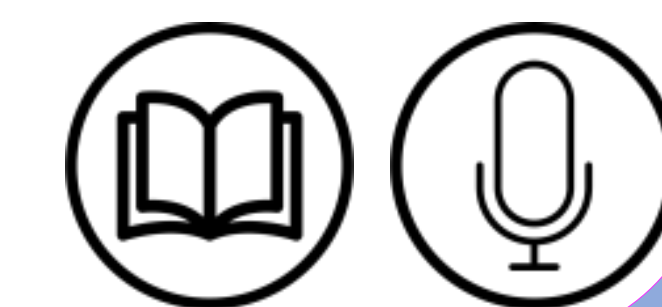

■ The shape of the ice cream cone is a \_\_\_\_\_.

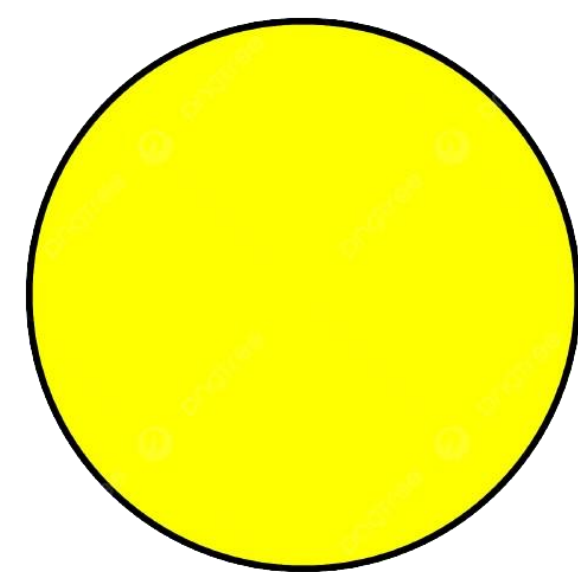

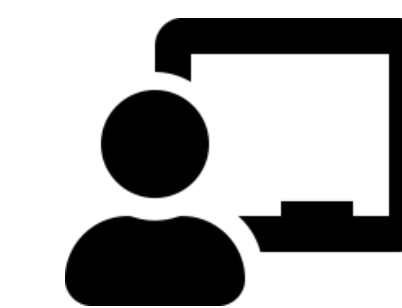

## Match the Name of the 3D Shape with its properties:

- |                 |   |   |
|-----------------|---|---|
| <b>cube</b>     | - | <b>Has two circular bases and a curved side</b>                         |
| <b>sphere</b>   | - | <b>Has one circular base, a slanted side, and one vertex at the top</b> |
| <b>cylinder</b> | - | <b>Has 6 square faces</b>   |
| <b>cuboid</b>   | - | <b>Has no edges or vertices and is perfectly round</b>                  |
| <b>cone</b>     | - | <b>Has 6 rectangle faces</b>  |

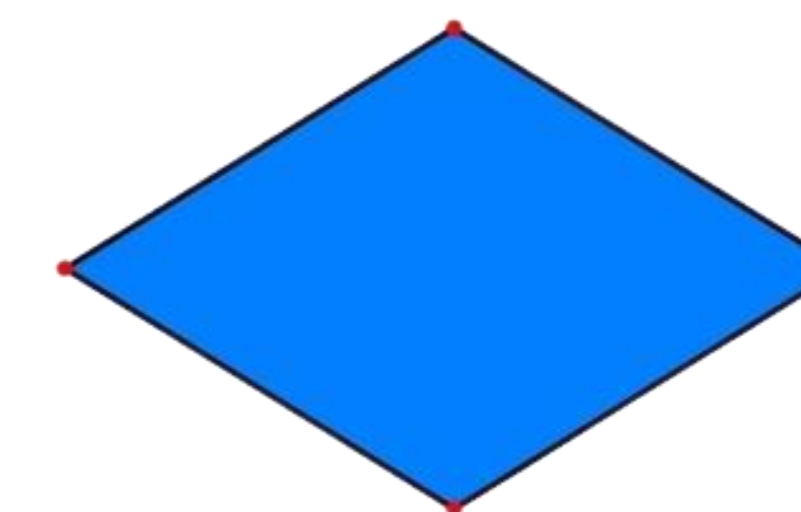

Choose the three-dimensional shape (3D).

circle

cuboid

Quadrilaterals

cylinder

square

prism
